

Tokyo Institute of Technology International Graduate Program(B)
Commencing in October 2015 Overseas Application
【Tokyo Institute of Technology–RIKEN International School: Doctoral Program】

List of Academic Advisors (2015–2017)

Course Name: Bioscience and Biotechnology

Name of Academic Advisor (Tokyo Tech)	Name of Academic Advisor (RIKEN)	Theme of Research
Associate Prof. Yuichi Hongoh	Dr. Moriya Ohkuma	Genome, function and symbiosis of microbial community in the gut of termites for efficient lignocellulose utilization
Associate Prof. Toshiaki Fukui	Dr. Keiji Numata	Microbial synthesis of novel co-polyesters through artificial metabolic pathways
Associate Prof. Kohji Seio	Dr. Ichiro Hirao	Organic chemical studies of new nucleic acid materials useful for medical science and synthetic biology.
